Signs on private property directing the public to a subdivision or multifamily development are permitted, subject to the following conditions:

- The property owner's written permission for such use of his land accompanies the permit request,
- The sign does not exceed 32 square feet in surface area or six (6) feet in height.
- The sign shall bear only the name of and direction to the development.
- Permits for such signs are limited to one year with a one-year permit renewal option.
