8	The officers I have encountered do not reflect the level of energy and community engagement that I see in the chief. I have reported many incidences of drug use at my local park and rarely see the police take action to even park in the area at the peak hours...8 am, and 4 pm in the summer.	5/9/2016 10:11 PM

11	My experience was incredibly poor with the Garner PD recently. I was involved in an unfortunate situation with one of my students and the police had to get involved. A tall African American male, whose daughter plays Ball, approached the student with care. I went to go join and he respectfully asked me to not come closer, and I didn't. I then went to speak to my coworkers and went to get into my car. As I was about to leave the premises, the officer who spoke to the student waved me back and asked me to wait a moment. I did. He then came to my window and asked me to speak to my students employer to explain that the police presence was not because there was legal trouble but a school issue. As I was getting out the car to do what he asked, an incredibly brisque, rude, aggressive white, female officer - a detective maybe?, gruffly told me to get back into my car. I then told her, very briskly, that I was doing what the officer told me to do. The African American officer then told her what he directed me to do and she rudely told me to "go on." I was furious and told her she won't speak to me in that way. I then went in to take care what the officer asked me to take care of. My family is full of retired cops. My sister was in charge in HR for a police dept in WA for over 20 yrs. As an African American woman, I have never feared the police or had a disdain for them - ever. The white male police officers were very respectful. The African American male policeman was as well. The white, female officer/detective was very kind to my white counterparts, but incredibly rude to me. Like I was trash. I believe she would have taken me to jail if she could have found a reason. I was just doing what the officer told me to do. This officer then proceeded to tell my coworker that she should have a discussion with my supervisor about our interaction - as in me and the rude officer. Not only is she racist, rude, ignorant of my job responsibilities, but she was completely out of line trying to get me fired. I had no fear of the police before, although I am an African American female. I don't fear them now, but I do have a terrible taste in my mouth for them and my trust is waning. Its sad, I was a TRUE Garner blue supporter of the police, but I have seen what others told me they have experienced. This is one horrible experience has made me a bit bitter. Learn to just speak to people WHO ARE ON YOUR SIDE the same regardless of color. Im disappointed in this officer. Deeply..	5/1/2016 3:05 AM

14	Please refrain from implementing hiring practices aimed at attracting officers and/or other employees based on race, sex, or any other demographic criteria. It is discriminatory to implement separate hiring practices targeted at recruiting officers based on race. Separate is not equal. Instead encourage activist groups pressuring the GPD to seek out interested candidates to apply through the normal hiring process. I encourage the GPD to evaluate all candidates in a color blind fashion.	4/27/2016 12:31 PM

49	Patrolling problem areas	4/18/2016 10:16 PM

50	Several years ago I read in the local paper where the Garner police were going to ticket people who parked in the fire lanes of stores and the fire department would also be able to ticket people who were parked illegally. The two places that I frequent are the Kroger store sneak the post office. People park illegally there continually. It is very dangerous for someone coming out of Kroger to see if a car is coming when there are cars parked in front of the store. The road in front of the post office is narrow and when someone is parked in front of the post office it makes it very difficult to get around that vehicle not to mention someone trying to cross the road to get to their car. It is long overdue for the police department to make good on their promise to ticket people who park illegally.	4/18/2016 10:15 PM
51	There are a few officers that appear not to be physically fit to handle a pursuit of a criminal	4/18/2016 9:42 PM
52	Hire more police officers. Garner is growing quickly, we hear about different crimes taking place in Garner through Facebook posts and community apps we need more police officers in order to keep Garner from turning into the next Durham.	4/18/2016 9:28 PM

56	DNK	4/18/2016 8:29 PM
57	I hardly ever see the police out in Garner and I do carpools 4 times a day, not to mention errands. We need tougher enforcement of laws. I see red light runners every day!!!! There are also a lot of breaking to cars in the area! We need more noise and talk about what the police are doing to stop it. I always see empty police cars. Try parking them in new places! Perhaps cameras in the parks is a good idea! More officer presences at schools during carpools times, peak park times!	4/18/2016 8:17 PM

63	not at this moment	4/18/2016 7:00 PM
64	Possibly more patrolling in Apartment complexes. I witnessed many strange things at Heather Park	4/18/2016 6:55 PM
65	I recommend more diversity and inclusion in visible positions and more regular training in this area. It will enhance positive reaction in negative situations with other cultures other than their own.	4/18/2016 6:44 PM
66	more neighborhood patrolling, especially S Wade Ave.	4/18/2016 6:43 PM
67	As far as I know, I think the police officers in Garner are respectful and helpful.	4/18/2016 6:39 PM
68	none	4/18/2016 6:31 PM
69	Have more community events	4/18/2016 6:28 PM
70	My neighborhood hunters mark has some criminal activity that occurs and that has been discussed at hoa meetings. I wonder if these incidents happen because there isn't enough police presence. Garner has grown over the past 15 years I've been a resident. Not looking for harassment or anything but maybe more presence will curb crime.	4/18/2016 6:18 PM
71	Be more focused on solving crimes. A neighbor had a break-in. Police took nearly an hour to respond & have since done little to investigate or solve the crime even though there was evidence available. The homeowner did more investigating than the police.	4/18/2016 5:58 PM
72	Perhaps a little a bit more presence in areas that drivers use as short cut! Water Oak Subdivision is one of those short cuts! people speed through our neighborhood to get to Vandora Pines, Lake Moor, and Old Stage area! They know the possibility of getting caught while speeding, is much greater on Timber Drive, thus, they opt to do it in our neighborhood!	4/18/2016 5:48 PM
73	Maybe more frequent patrol !	4/18/2016 5:28 PM
74	I used to see cars parole my street at least once if not twice a day. I never see them on my street and rarely in my neighborhood. of course, to give the benefit of the doubt, they may come through at night.	4/18/2016 5:23 PM
75	None	4/18/2016 5:19 PM

76	1. Many times the Garner PD has preconceived notions about our neighborhood,ie, Cloverdale. We deserve additional attention because of the transient population that is allowed to move into our neighborhood from absentee landlords that only care about collecting rent!! 2. We need more attention to speeders.	4/18/2016 5:10 PM
77	I think the GPD is doing a great job keeping the town safe.	4/18/2016 4:52 PM
78	none	4/18/2016 4:44 PM
79	Create a neighborhood police task force for at risk youth or repeat offenders to introduce them to a different outlet. Example: for every arrest-assign some type of mandatory workshop where they have to stand before their peers, talk about their offense and come up with a viable solution that keeps them from repeating. Not just a one-time service, but an on-going workshop where each one will teach one. A pay it forward method. To graduate from program, if possible and allowable, must also face their victim to apologize. Is it possible to incorporate this suggestion into PAAL?	4/18/2016 4:43 PM
80	more frequent patrols	4/18/2016 4:33 PM
81	It seems that the police need more officers to patrol. I would like to see more patrols in the North Garner area. But I understand Garner is growing and it is difficult to keep up. But I believe more patrols and maybe some targeted neighborhood training via neighborhood watch would be helpful	4/18/2016 4:30 PM
82	More patrols through the neighborhood	4/18/2016 4:29 PM
83	More officers	4/18/2016 4:10 PM
84	None	4/18/2016 4:06 PM
85	Definitely need to reduce and solve the break ins, thefts and home invasions!! Garner seems to be the highest in the triangle area in these crimes. I do believe there is earnest efforts but a lot of room for improvement for solved crimes.	4/18/2016 4:06 PM
86	Garner has been having a lot of auto (break ins/damage/Theft) and some gang related activity, something I think would help, is more visibility at night in Apartment complexes and back streets where things seem to be happening...	4/18/2016 4:05 PM
87	all officers on a scene should be completing or contributing to the police report of an incident. I was the victim of domestic violence in front of a minor child in 2013 and the police report reflected one officer's report from only other party in the situation. Fortunately, I was nonetheless granted a DVOP against my ex-spouse by the Court which probably saved my life and maybe my son's. But I felt the GPD was not at its finest that day, and when I later inquired about the report details and that I even had a recording of my report to the officer that interviewed me, the matter didn't seem important enough to the PD to update the police report.	4/18/2016 3:56 PM

89	Watch other agencies patrolling the town Friday, Saturday nights. I was pulled over by by shp one night for absolutely no reason. He claimed I was speeding but I had my cruise control on 45. Once he realized I did nothing wrong he told me I could go. He then pulled out from behind me and pulled the next car that passed. I sat and watched him for a minute and he was just pulling over every car trying to find a DUI.	4/18/2016 3:38 PM

1	Timber Drive, 35mph section, from Aversboro Rd to Buckingham Rd, SPEEDING, PD used to sit at Chatham Court, and stop several cars a day, have not seen it there in over a year or more, Pedestrian/School Crossing sign was knocked down by drunk driver at 1009/1101 Timber Drive over year ago and then stolen as a souvenir and has not been replaced, the bent over post is still there, could you please check on replacing it?? Thanks	5/18/2016 1:00 AM

3	I know there have been a few break ins around my neighborhood (mainly cars). Neighborhood itself is fine but the apartments that are next to it have had some issues I think. Doesn't bother me, I still go running at night and I've never had a problem.	5/10/2016 10:53 AM
4	The apartment complex next to and near us by Lakeside and Benson Rd, is a rough bunch. Littering all the time and blasting their loud music.	5/10/2016 8:20 AM
5	We've had numerous break-ins, I've heard. Unless an officer is patrolling 24/7, I believe alarm systems are what homeowners need.	5/5/2016 3:09 PM
6	I dont. We are a neighborhood that takes care of each other.	5/1/2016 3:05 AM

10	There has been a loose dog issue that some of us dealt with. This problem has seem to resolve itself, so no other complaints.	4/25/2016 1:51 PM
11	As with all Garner neighborhoods, I am concerned about all of the car break-ins. Before my son bought this house for me, I came over and walked around the backyard in the dark. When I told my son and boyfriend, they both jumped down my throat. I told them that if I didn't feel safe walking in my backyard at night, there was no need to buy this house. Here I am going on eleven years later, but I no longer feel safe in the dark, not even going the short distance from my side door to my car. Can you fix that for me? I know that you're trying, and I am thankful for that.	4/22/2016 11:25 PM
12	Mainly theft.	4/21/2016 10:04 PM

47	The Everwood subdivision has had car break-ins multiple times over the past couple years. To my knowledge no suspects have been caught nor has GPD followed up with residents of this neighborhood during their investigation.	4/18/2016 4:37 PM

49	I believe we have people that are constantly walking through the neighborhood (Cloverdale) and they are doing opportunistic larcenies. Nightly patrols might help along Meadowbrook over to Weston.	4/18/2016 4:30 PM
50	Yes! We have had multiple break ins to both homes & vehicles. Some of the vehicle break in are the 'fault' of the HO bc they left their vehicle unlocked. We also have some kids from the neighborhood behind us that seem to come here & 'make trouble'.	4/18/2016 4:10 PM
51	Cloverdale subdivision has been plagued with break ins and thefts now for 3 plus years. Some actions were done but never seem to catch the person(s). This neighborhood like others in Garner were very low in crimes until recent years. I am concerned with the elderly that live in my subdivision and around Garner as well as myself.	4/18/2016 4:06 PM
52	I live at the Weston trace Apartments, I have not had much sleep at night, since I moved here, the teenagers hangout in the parking lot and we also have a drunken Mexican man that walks through here every now and then, I found him to be sitting in the breezeway for no reason other then taking a break....	4/18/2016 4:05 PM

1	Police need to go out into the different communities before there is a problem.	5/11/2016 11:06 AM
2	During my participation for the Garner Citizens 101 Academy, We met the Police Chief and several members of the force. We were thoroughly impressed with the new station, the Chief and his officers. I am very happy with Garner's police force and the way in which they serve our community.	5/10/2016 1:23 PM
3	I've had a very good experience with GPD. I had to call when I found my neighbor dead on his deck and they came right out; then had to call again when his house door was randomly open (his house is still there with none one living in it and falling apart). Both times GDP came out they were very helpful and courteous.	5/10/2016 10:53 AM
4	Our police are the best a town could have.	5/9/2016 10:44 PM
5	I feel we are much better than Johnston County but could still improve our positive image in the community.	5/9/2016 10:11 PM
6	I have s son who's autistic. He's no longer living at home, but when he was, he was very combative. I don't know what I would have done without the police department and the EMTs.	5/5/2016 3:09 PM
7	The crime I reported was credit card identity theft and I did so in person so no dispatcher call was made.	5/4/2016 10:42 PM
8	Im just hurt by the behavior of ONE person in the dept. Unfortunately, that will always be in the front of my mind when I see the police. I hope the cop/detective I dealt with has to have some training when dealing with minorities and people in general.	5/1/2016 3:05 AM
9	please visit wait times at intersections at low volume traffic times.	4/27/2016 2:09 PM
10	All citizens are equal and should not be targeted for ill or for benefit based on demographic categories. Black citizens should not be stopped based solely on their skin color and white citizens should not be judged by s different standard for employment consideration in order to meet some unstated or acknowledged demographic employment quota.	4/27/2016 12:31 PM
11	Overall, I am very pleased with the GPD. Like any organization or business, there is always room to improve, but GPD seems to be proactive in their quest to do the best job they can for Garner.	4/27/2016 12:06 PM
12	The police department needs to connect with the citizens daily and gain their trust so they become part of the citizenry themselves and not viewed only as the authority that maintains law and order.	4/27/2016 10:21 AM
13	Garner police are doing a fantastic job! I called the non-emergency number and was transferred to the 911 dispatcher, kind of threw me. Didn't want to take up emergency resources when not necessary.	4/26/2016 1:11 PM
14	Again, thank you.	4/22/2016 11:25 PM
15	none	4/21/2016 10:04 PM
16	Officer Medlin at the high school, along with the other officers who work there, are some of the best examples of professional police I have seen. I don't know the name of the female officer who works with him, but together they are fantastic with dealing with teenagers.	4/19/2016 9:02 PM
17	I think the public should give more support to the Police. I feel we should back our officers and not take the side of lawbreakers.	4/19/2016 8:07 PM
18	My only "complaint" is with the confusion in our area about who to call - Wake County sheriff's dept, Garner, Raleigh, etc. This confusion on the part of the dispatcher caused a delay for a hit-and-run I reported. By the time it was sorted out, the person had calmly fled the scene.	4/19/2016 6:28 PM
19	Clean up streets of unlicensed cars, junk cars parked on our streets. Semi truck always parked on Forest Landing drive - many work trucks parked in neighborhood. Several times visited with a warning left. Tickets must be given or it will persist. Late night parties disturb residents. We DO have a noise ordinance! It is getting out of hand.	4/19/2016 4:51 PM
20	Very proud of GPD and thank you for your service keeping our hometown safe	4/19/2016 3:50 PM

21	Incredibly thorough. Your presence is far higher than I ever had with Raleigh PD living inside of the beltline. I also feel your professionalism far exceeds any experience I have had with Raleigh PD. With the heated climate in recent years with PD/society conflicts, I do feel more on edge with the significant presence. This isn't a reaction to you, but the national climate with allegedly corrupt PDs. I recognize that isn't a result of your actions, but still, it's there and I'm trying to be honest. Up to this point, You guys have been fantastic. Please continue the good work you do, and Thank you.	4/19/2016 3:30 PM
22	The officer that I had contact with several years ago was not very helpful. I know that he was just one. The majority of officers are very helpful and have great attitude.	4/19/2016 1:58 PM

27	No way to report odd coming and going packages being delivered regularly loading and unloading black plastic bags from the basement...a lot of weird stuff. I don't want to be the be the only neighbor that reports my neighbors.	4/18/2016 10:16 PM
28	This is sort of off topic but I was wondering how one might go about requesting a speed bump. We live on Forest Drive and cars sometimes speed by our house. We have two small children. Thank you!	4/18/2016 9:54 PM

30	I support a community with strong police presence. I believe there is less crime when police officers are active in the community, schools, and Churches. I feel Garner police officers are very good at their job and appreciate what they do every day to keep our community safe.	4/18/2016 9:28 PM

37	My situation was a bit different but I wanted to fill in as much as applied to my situation. Back in 2015 I lived at Heather Park apartments and had to call the police atleast twice on my next door neighbors and their domestic situation. The last time I called I believed that the male was beating his girlfriend because of what he screamed through the walls and the amount of noise I heard. I heard the police cone and talk to him but it was only for a few minutes and my neighbors sped away in tgeir car after they were allowed to leave evidently. What bothered me is that I tried to call the police station and left a message to ask what happened or to understand the situation but I was never contacted by the officer that responded. I think your department is doing a great job and that was probably a fluke.thanks for your hard work.	4/18/2016 6:55 PM

41	Officers are extremely nice & approachable. I'd like to see more presence at Lake Benson.. Not just during events.	4/18/2016 5:58 PM
42	My family and I love Garner PD! One of the very best Police Departments in the Nation! I worked for RPD for 14 years and moved here from Los Angeles, i have seen the performance of quite a few police departments! Garner ranks very high in my opinion!	4/18/2016 5:48 PM
43	New to garner so I cannot really say that I should have answered this survey. Only one experience with police force when we first moved into our home.	4/18/2016 5:28 PM
44	i guess I miss the old Garner and the officers Barry Moore, Duffy, Lifesay, Motley and others. I knew them and saw them on patrol on a daily basis. i have had 2 officers that I feel were rude however, they did their job just could have been handled in a more respectful manner. Yes, we have grown but we are still a small town and I am sad the sense of "family" is gone.	4/18/2016 5:23 PM
45	If I had time to volunteer, I would.	4/18/2016 4:44 PM
