

Rental Rates

Rental rates include use of the main lobby, auditorium, dressing rooms, back stage lobby and loading dock. Rates also include use of the sound, lighting and projection system and miscellaneous equipment affiliated with each system. A full list of technical features can be found online. Please note there is a 4 hour minimum rental for all events. Reservations should include adequate time for setup and tear down as part of the rental.

If the event last longer than the contracted time, additional rental charges will be billed in half-hour increments and withheld from the damage deposit.
